Abington, Ma 02351*

*Life- so they say*

*Is but a game and they let it slip away*

*Love- like the autumn sun*

*Should be dying but it's only just begun*

*Like the twilight in the road up ahead*

*They don't see just where we're going*

*And all the secrets in the universe*

*Whisper in our ears and all the years will  
come and go*

*And take us up always up*

*We may never pass this way again*

*Dreams- so they say*

*Are for the fools and they let them drift  
away*

*Peace- like the silent dove*

*Should me flying but it's only just begun*

*Like Columbus in the olden days*

*We must gather all our courage*

*Sail our ships out on the open sea*

*Cast away our fears and all the years will  
come and go  
And take us up always up*

*We may never pass this way again*

*So I wanna laugh while the laughing is easy*

*I wanna cry if it makes it worthwhile*

*I may never pass this way again*

*That's why I want it with you*

*'Cause you make me feel like I'm more than  
a friend*

*Like I'm the journey and you're the  
journey's end*

*I may never pass this way*

*That's why I want it with you*

*We may never pass this way again*

# **DEBBIE MARI**

## **1963-1977**

*Friends are not only together  
when they are side-by-side,  
even one who is far away ...  
is still in our thoughts.*

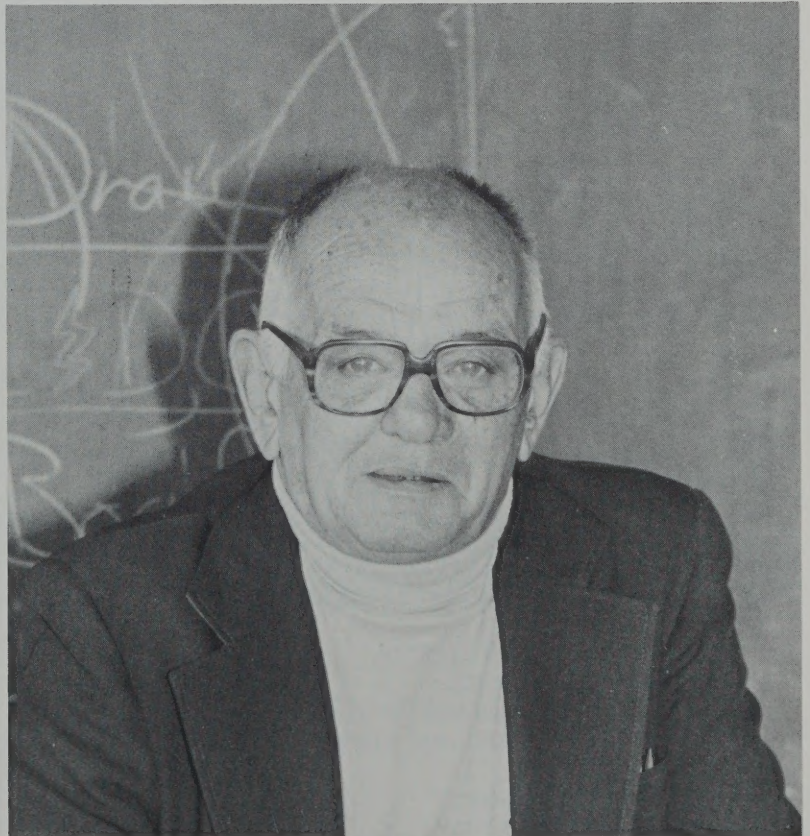

*During the past four years you have grown in many different dimensions- intellectually, socially, and emotionally. Some of this growth has been rewarding although perhaps painful. You have certainly learned one particularly effective stimulus to personal growth: there is no longer anyone to stand between you and the consequence of your actions.*

*I have thoroughly enjoyed my close contact with the Class of 1981. On behalf of the faculty, administration, and entire staff of Abington High School I wish you a happy and rewarding life that will have dignity and meaning for you.*

#### *DEDICATION*

*The Class of 1981 dedicates this yearbook to Mr. Gervais, in thanks for his 27 years of help and friendship.*

*We wish him continued happiness and success in the future.*

*Many thanks to Mr. Byron,  
 We'll all miss you so,  
 Your first year was our first year,  
 You helped us learn and grow.*

*Good 'ole Mr. Paster,  
 We'd like to thank you too,*

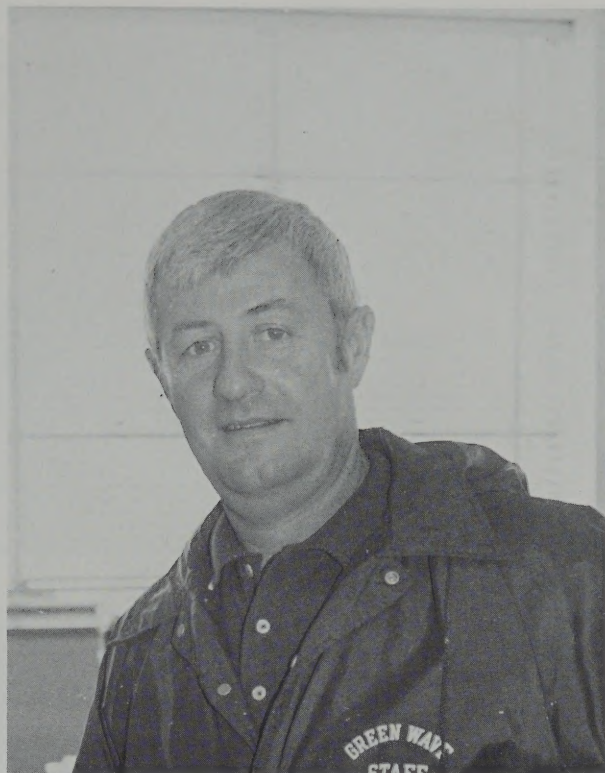

*When thinking of our high school days,  
 We're sure to remember you.*

*Put them both together,  
 And what have you got?  
 A perfect pair who've influenced our lives,  
 Whether we realize it or not.*

*Mr. Millett-Superintendent of Schools*

*Mr. Tobin-Athletic Director*

*Mrs. Beaton and Mrs. Powers,*

*You've been there through our  
hardest year,  
Better class advisors do not exist.  
You've made our problems seem  
really clear,  
And to them, solutions you do  
insist.*

*Thank you for sharing your  
enthusiasm and support with us.  
Class of '81*

*We, the editors of the 1981 Yearbook, would like to present you with this book in hopes that it reflects our past 4 years at A.H.S. We hope we have captured the good times and special memories that we have all shared as friends and classmates.*

## FRESHMAN YEAR

*We finally made it up to grade nine  
And soon discovered we were just in time  
For the beginning of Lord Byron's reign  
Our wild high school he was to tame  
Our freshman jackets we did get  
With our names on them you can bet  
We thought we finally were part of the scene  
To fit in nicely was our dream  
Chris, David, Gail, and Chart were elected  
Our first rally-less spirit than expected  
With Mrs. Deluca as our class advisor  
How could we possibly be any wiser?  
We had a table at the Christmas bazaar  
Although our stale cookies didn't get us very far  
And then arrived the Blizzard of '78  
Missing all those school days sure was great!  
To Niagra Falls our band did go  
Coming in first, A.H.S. ran the show  
Our freshman year over, we passed the test  
But the upcoming years we knew would be best!*

## SOPHOMORE YEAR

*Freshmen we are no more  
We moved on up to the second floor  
We elected Paul, David, Robin, and Bob  
All of us knew they would do the job  
Our Christmas bazaar was not a success  
But we had a good time, never the less  
Our class rings we bought with a lot of discretion  
Hoping to make that big impression  
The trip to Virginia was quite a success  
Abington High came back as the best  
Our sophomore year flew by real fast  
But we knew next year we'd be Juniors at last!*

# HISTORY

## *JUNIOR YEAR*

*With David, Lisa, Donna, and Paul  
We finally made it to the third floor hall  
Our dances were soon put to an end  
When penny-throwing became a new trend  
The Christmas bazaar left us in doubt  
The pool table raffle left us without  
The rallies weren't what they used to be  
Getting shorter and shorter with not much to see  
Dues were collected for the upcoming Prom  
With "Precious and Few" as our theme song  
The night began, we marched around  
We hit Dale Road in our tuxes and gowns  
We spent the night laughing and joking with friends  
For we knew that too soon it would come to an end  
Our junior year over, time went so fast  
After summer was gone, we were seniors at last!*

## *SENIOR YEAR*

*It came at last, our senior year  
Bunker we elected with Sue, Deb, and Gail  
We started it off exchanging our pictures  
Bidding our friends good luck and best wishes  
The yearbook was started and everything planned  
To meet all the deadlines and all the demands  
Next came the planning of the Christmas bazaar  
At least we'd finally gotten this far  
Never before so many deadlines  
With applications to send in on time  
The Senior Reception was planned for the first of June  
With Graduation Day coming Oh! so soon  
With our senior year over it went by so fast  
We leave with new hopes but remember the past  
And now it's all over; it's come to an end  
Knowing . . . "We may never pass this way again".*

# ABINGTON MARCHING CHAMPIONS

*We practiced in the raging heat,  
Being sure to lift our feet.  
Then when winter rolled around,  
We marched upon the frozen ground.  
Whistles here and yelling there,  
Left us all in great despair.  
With Smith yelling one thing and Livingston another,  
We all ended up bumping into each other ....*

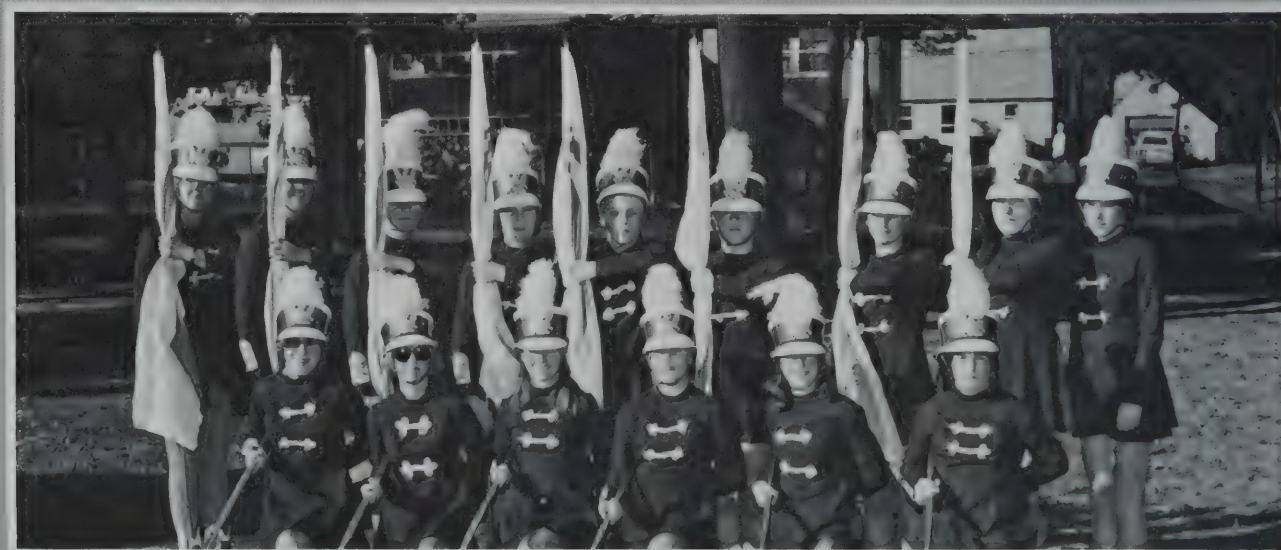

*.... But in the end it was all worth while,  
 As we'd hear the cheers and see the smiles.  
 We'd march through any type of weather,  
 As we made beautiful music together.*

# BLEACHER

# CREATURES

*The class of 81 leaves Abington High,  
The hours we spent here have all passed us by.  
The memories of good times and laughs that we shared,  
Remain in our hearts and will always be there.  
The Challenges met and obstacles overcome,  
Will make us better people in days to come.  
Throughout our years we've worked together,  
The ties formed between us will live on forever.  
To those that have helped us, much thanks to you all,  
Fond memories of you we will always recall.  
We leave with new hopes, but remembering old friends,  
Knowing that 'we may never pass this way again'.*
